

REACH Customer Information

EC Regulation no. 1907/2006

Supply of non-chemical products

Novotronic Signalverarbeitung und Systemtechnik GmbH supplies only non-chemical products (articles).

You procure electronic equipment (not chemicals) from Novotronic which is not intended to release any substance under normal and reasonably foreseeable conditions of use. Consequently, the obligations in Art. 31 and Art. 32 are not relevant here.

Information about substances in non-chemical products

The "candidate list" (Candidate List of Substances of Very High Concern for authorisation) has been published on 29th October 2008.

As far as we know, all of our products currently do not contain any substances above 0.1 mass-% per product, that is included in the "candidate list".

The candidate list is subject of continuous monitoring. Changes will be evaluated. If products should be affected appropriate information will be available.
